FOCUS ON
CANARY WHARF

Canary Wharf is the biggest residential area in the world built from scratch. It's all Canary Wharf, right? Well, not exactly. The area has traditionally been the offshore oil storage and refinery.

It's a lovely area to live in, with a mix of modern and traditional architecture that means it's always got a bit of something to offer. It's also got a great location, with the Canary Wharf station and the Canary Wharf station.

Before the offshore oil, there were warehouses and a bit of industry. The area was built on the remains of the former dock, which was built in the 19th century. It was built on the remains of the former dock, which was built in the 19th century.

There's a lot of things to do in the area, from shopping to dining. There's a lot of things to do in the area, from shopping to dining. There's a lot of things to do in the area, from shopping to dining.
