SECRET GARDEN

INSIDE EAST LONDON'S FIRST PRIVATE
RESIDENTIAL GARDEN SQUARE

Landmark Pinnacle, a new development of 752 residential properties on Westferry Road, will have its own private residential garden square – the first of its kind in east London. Located on the 27th floor of the 72-storey tower, the space will span more than 8,700 sq ft and will have a dedicated children's play area. The Panorama Garden Square, so named because of its enviable views of Canary Wharf and the City, will have a private relaxation area with lounge chairs, a table tennis room and two double height roof terraces.

Landmark Pinnacle's show apartment is due to launch at the end of 2019, with residents expected to move in by the end of 2020. In addition to a private garden, buyers can expect to find a 24-seat cinema, 56th floor gym & fitness studio, golf simulator and an arcade room. ■
